

Ons whisky assortiment op 2 mei 2016

Met ruim 1400 Whiskies in stock behoort De Wijn & Whisky Schuur tot de best gesorteerde aanbieders van Nederland.

Door het bewust niet aanbieden via een webshop hebben wij nog heel veel zeldzame bottelingen .
Deze Whiskies zouden anders allang niet meer beschikbaar zijn of naar het buitenland zijn verdwenen.

Naast de bekende merken vindt U een hoop bijzondere bottelingen die wij zelf importeren.

Deze lijst is louter en alleen bedoeld om een indruk te krijgen van ons assortiment op **bovengenoemde datum**.
Nieuwe soorten/releases van na deze datum zijn meestal leverbaar maar staan nog niet vermeld .

* Deze whiskies zijn op bovengenoemde datum op bestelling leverbaar .

 **Op=Op Bel even !!!** wordt niet meer gebotteld, gemaakt of is een **collectors item**

Tel.0515-520706 wij zijn Donderdag t/m Zaterdag na 10.30 aanwezig

De prijzen van collectors items en oudere bottelingen kunnen sterk variëren.
Gewilde bottelingen worden schaarser en duurder als wij ze bijkopen.
De koerswisselingen van de dollar en het pond zijn van grote invloed.
Succesvolle producenten staan anders in de markt dan bedrijven waar de verkoop iets stagneert.
Oudere whiskies stijgen i.v.m. tekorten. Soms dumpen producenten restanten van eerdere bottelingen
Deze vindt u met 300 andere scherp geprijsde whiskies onder het kopje Whisky aanbiedingen.
